Hyatt Place Flint-Grand Blanc has implemented the Global Care and Cleanliness Commitment

CLEANLINESS & SAFETY

We prepare every guestroom with care before your arrival.

Guestroom décor and amenities have been modified to remove extraneous, high-touch items, while we still provide the high-quality experience for which the Hyatt brand is known.

OUR COMMITMENT

I hope this finds you and your loved ones safe and in good health.

At Hyatt, our purpose—to care for people so they can be their best—is at the center of everything we do, including our path forward as we look toward a COVID-19 recovery. We want to help you once again experience the joy of getting together—with a focus on safety first, wellbeing always for your meetings and events.

Hyatt is taking comprehensive steps to implement new guidance, procedures and practices and reimagine the hotel experience for our customers, guests and colleagues. I am pleased to share some additional actions Hyatt is taking to care for you during this time.
